

MATH 203 : Calculus for Business & Social Sciences

Studies the basic concepts of differentiation and integration and their applications in the areas of finance, management, economics, and social sciences. To progress to more advanced mathematics courses, students should have grade C or better in prerequisite courses. The prerequisite course is most beneficial when completed during the prior 12 months. Math placement testing or alternate placement measures are required of all students who are taking mathematics at UH Maui College. (For more info, see English and Math Placement section, or the Math Routes for Specific Majors chart.)
