AA Degree Requirement Codes

These codes are used by UHMC and by most UH colleges, to facilitate the articulation and the transfer of courses within the UH system.

For example, a DA-coded course at UHMC not only satisfies the DA requirement at UHMC, but also satisfies the DA requirements at the other UH campuses.

- DA  Diversification Arts
- DH  Diversification Humanities
- DL  Diversification Literatures
- DB  Diversification Biological Science
- DP  Diversification Physical Science
- DS  Diversification Social Sciences
- DY  Diversification Laboratory
- FW  Foundations Writing
- FGA Foundations Global (Before 1500 CE)
- FGB Foundations Global (Since 1500 CE)
- FGC Foundations Global (Prehistory to now)
- FQ  Foundations Quantitative Reasoning
- FS  Foundations Symbolic Reasoning
- HI  Hawai‘i Emphasis

1 Note: For courses meeting Hawaiian, Asian, and Pacific Issues (HAP) requirement at other UH colleges, check with an academic advisor.

2 Note: For courses meeting the Hawaiian Second Language (HSL) requirement at other UH colleges, check with an academic advisor. HSL is not required for the AA degree in Liberal Arts.

3 Note: See Quantitative Reasoning (FQ).
